

HARRISON TRIMBLE HIGH SCHOOL

PROFESSIONAL LEARNING DAY | SEPTEMBER 25, 2026

OUR IMPROVEMENT FOCUS

Teachers will use varied assessment strategies, with an emphasis on real-time assessment, to improve student achievement, attendance and independence.

REAL-TIME ASSESSMENT: *An opportunity to notice what students understand while learning is happening, so we can respond while it still matters.*

HOW SEPTEMBER 25 SUPPORTS THIS WORK

01

REAL-TIME ASSESSMENT

Staff will build capacity in collecting meaningful, real-time assessment data to better understand student learning and next steps.

02

COLLABORATIVE PLANNING

Teachers will work in PLC teams to plan how real-time assessment can be intentionally incorporated into their courses throughout the year.

03

SUPPORTING DIVERSE LEARNERS

The ESS team will support teachers in effectively implementing personalized learning plans, including accommodated and adjusted plans.

04

COMMUNICATION & COLLABORATION

Dedicated time will support connections with families and school teams, along with important data-entry processes that support student success.

CONNECTED TO OUR DISTRICT IMPROVEMENT GOALS

LITERACY

Read, write and communicate at grade level in both languages of instruction.

NUMERACY

Achieve at grade level in numeracy.

WELL-BEING & ENGAGEMENT

Feel safe, cared for and engaged in learning.

GRADUATION

Support every student toward high school graduation.

2025/2026 PILOT PROFESSIONAL LEARNING IMPACT AT HTHS

- Increased student academic performance
- Decreased student chronic absenteeism
- Increased student engagement
- Teachers reported increased collective efficacy with assessment practices
